

BECOME A SEAT SPONSOR...

...as we develop and improve WT for everyone

Thank you for coming to Wokingham Theatre tonight – all of us at WT are delighted to welcome you, and hope you enjoy the production. We pride ourselves on our professional standards, no-one is paid! Its amateur theatre...

As many of you may know, we have spent several years developing a plan to extend the theatre. We will extend our back-stage facilities to enable many more people to take part in the craft side of the theatre- building sets, making props, creating costumes – as well as enjoy our shows. You can join in and take part too!

You may not know, but most of our shows now sell out many weeks before they open. We have extended the auditorium at the back, **to add up to 20 new seats** – creating an extra 200 available over the course of a 10 night run.

We Need New Seats!

This is where you come in – we have saved money and raised a loan to complete the building works, but we need new seats for the auditorium –to replace the existing ones which were second hand thirty years ago, as well as provide the thirty extra seats. Remember – we receive no funding, we finance everything from our ticket sales!

Would you sponsor a SEAT or a BRICK at WT?

Sponsorship is £ 350 per seat which covers the cost of the seat, installation, and a contribution towards extending the auditorium. Each sponsor will have their name on a plaque on the seat or an ‘in memory of’ name if you wish. A BRICK is £ 100 to sponsor and a list of sponsors will also be displayed.

Can you sponsor a specific seat?

YES – if no-one else has already sponsored it.

What happens to the plaques naming sponsors of the existing seats?

We are going to take all the plaques from the original seats, and display them on a board in a public area of the theatre, so their contribution will not be forgotten.
